EMERGENCY CLOTHING SUPPLY

If anyone has any spare items of school uniform at home which their children have grown out of, we would greatly appreciate any donations for our emergency clothing supply to use when 'accidents' happen.

What's happening in Group K/1SM

We are really excited about our Gymnastics lessons and can't wait for the next one.

In Maths Kinder is talking about sharing and equal and unequal groups.

Year 1 is also dealing with groups. We would be grateful if all parents would check their children's jumpers, hats, etc. to see if their names are on them.

What's happening in Group 3H

Year 3 has really been enjoying the Mega Sports and Gymnastics program. Please bring in your money if you have not paid yet. Yesterday at Gymnastics we did forward rolls, went on a mini tramp, the rings and the bars. Everyone was very enthusiastic.

Don't forget to have homework ready to hand in on Friday.

What's happening in Group 4M

Year 4 are working on 3 and 4 digit addition with carrying and subtraction with trading. They are also investigating landforms for Science.

Year 4 really enjoyed Gymnastics this week, it was great to see their enthusiasm.

Homework is due on Friday.

What's happening in Group 1/2M

The children were very excited to have both Mega Sports and Gymnastics this week. It is great to see everyone participating with such enthusiasm.

The children were not given a homework sheet this week but can concentrate on their home reading. The course on Monday on Persuasive Text was very informative and vital for NAPLAN 2011.

What's happening in Group 4/5L

This week in Maths we will commence work on Mass. During Writing we have started looking at Explanations. Our Science focus this term is on Global and Social Issues and we have started investigating Natural Disasters.

Remember that recorder lessons have recommenced and you need to have your recorder each Wednesday. It is also good to do some extra practice at home.

If any family has recent unwanted newspapers (Sydney), we would appreciate them in our class.

Keep up your nightly reading and bring your homework back for Fridays.

*What's happening in Group 6C*

Year 6 are still investigating Survival and Disasters. We are also creating our own picture books and are currently in the production stage. We look forward to reading to the younger children once finished.

Year 6 really enjoyed Mega Sports and Gymnastics this week. It was great to see everyone participating and that all students were on their best behaviour.

What's happening in the Library

Congratulations to Mitchell Scott who participated in the MS Readathon and raised \$65. What a great representative of our school he is!

Library Sale

We have been culling old, out of date and seldom used books from our shelves. This has made room for all the wonderful new books that have been coming into the library. Our children deserve quality books!

The old books have been written off and will be available for sale on Fridays during Move and Groove, while stocks last.

..... **20c per book** with a limit of 5 per child.

Please give your child the correct money as no change will be given.

Book Club Orders

Reminder: Orders are due back to school by next Monday 25th October.

Celebrating Excellence Year 4/5

Shot of Year 4/5 Term 3

In creative writing students wrote a short piece of work setting the scene about something behind a door.

They also rearranged sentences and used adjectives to create a story about "That Cat".

They made artworks titled "Looking Through the Window" where they drew a background scene, designed and cut out a window frame and then used magazine pictures to give the art a 3D effect.

They also made a collage of what they felt were images that would describe themselves individually. Wee all had to match the collage to the student, which was fun.

That Cat

A lazy cat was soundly sleeping on the veranda. A small bird flew in and landed right in front of her. The startled cat immediately chased the bird across the lawn. The sharp-witted bird skimmed expertly over a swimming pool. The surprised cat plunged into the water.

CREATIVE WRITING WHAT IS BEHIND THE DOOR?

What is behind the door? One very cold still day, I got home from the shops and went to get some old clothes on so I could play outside. I fleetingly sprinted up to my room and opened the door, BANG! I suddenly hit my head on something rock solid. Whatever it was, it didn't make a sound. The door closed creakily. I sat there startled.

It still didn't make a sound. I went and got my mum and she opened the door. There was my room, as I had left it. So she shut the door and went back downstairs. I slowly opened my door and there was a
