Principal's Message

Welcome Back

Welcome back to all the children and a special welcome to all our new families.

Swimming Carnival

Congratulations to all the children who participated in our swimming carnival today. I was very impressed by the children's behaviour and the way they "had a go".

Thank you Mrs Manning for attending the carnival and thank you Mrs Leten for helping to organise the carnival with Mrs Manning.

It was wonderful to see so many parents at the pool supporting their children.

BBQ

Our free 'Welcome Back BBQ' (sausage sizzle) for parents/caregivers, children and staff is to be held on Wednesday **16th February**, from 5pm-6pm. Please return the coupon for catering purposes if you are able to attend.

Water in Hot Weather

In this hot weather it is very important that children drink **water**. Water is important to stop children from dehydrating.

We have good town water from the bubblers but your child might feel more comfortable with a water bottle.

Hats are essential for playing in the sun.

Mosquitoes continue to be a problem. Roll on insect repellent would be a good idea for your child as well (please no spray).

Canteen Manager's Position-Goulburn South Public School

As our canteen manager will not be available to run our canteen this year, we are looking for expressions of interest for this position. If you are interested, or if you know of someone who may be interested, you can obtain a Job Description form from the office.

Closing date 14th February 2011.

P & C Meetings

Our P & C meetings are the fourth Wednesday of each month, at 7pm. These are held in the school staff room.

I would really like to see some new faces at our P & C meeting. This is your chance to have a say in your child's education at this school.

School Assemblies

Our whole school assemblies will be held on **Mondays at 2.40pm**. Parents/caregivers are welcome to attend.

What's happening in Group K/1M & K/2S

Welcome back those children in Years 1 and 2 and a special welcome to all our Kindergarten children. We have had a good start to the term with our new children fitting in well.

Would you please ensure that **all** items belonging to your child, including drink bottles and lunch boxes have their names on them.

*What's happening in Group 2M*

It is lovely to see everyone back and so keen to start work. We will start homework next week. Readers will be given out as children bring in their folders.

In this hot weather children can bring a bottle of water to have in class. Please remember to send hats for everyone.

What's happening in Group 3/4M

Welcome back. We have a very busy year ahead of us. We are waiting to move into our 'new' classroom. It should be very soon.

Homework will be issued in week 3 on a Monday and due on a Friday. Year 3 will have a different sheet to Year 4. Students will be required to read for 15 minutes every night, as well as practice their spelling words.

*What's happening in Group 4/5H*

Welcome back to school for 2011. Students in 4/5H have done an excellent job settling in and working hard in their new class room. It is good to see students coming prepared for lessons. Keep up the good work!

Homework and home reading will begin next week.

What's happening in Group 5/6C

We are settling in really well and I would like to commend Group C students on their outstanding behaviour.

Please remember that our first round of homework is due on Friday.

*What's happening in the Library*

Welcome back to the library. Thank you to the children who have already returned outstanding loans from last year. Well done!

Library days are a little uncertain as yet, so please leave library bags in your child's school bag so they are prepared for borrowing.

We DESPERATELY need volunteers to help with our canteen. If you are able to help out even just for an hour or two (between 9am—1pm) please ring the office (4821 2759) and leave your details or fill in the coupon above and return.

P & C Meeting

Goulburn South School's P & C meets every month on the fourth Wednesday. Our next P & C meeting will take place on Wednesday 23rd February at 7pm and will take place in the school staff room. Everyone is welcomed to come to the meeting as it is a great way to find out what is going on, as well as having your say in things that are happening at our school.

Saly Coly

Saly Coly is the school's sponsor child and she comes from Senegal in Africa and is 8 years old. Her sponsorship costs \$42 a month and helps pay for her education and health needs, as well as helping her community develop such programs as water purification.

There are two containers within the school, one in the office and one in the canteen where donations can be left to pay for her sponsorship. It takes only a 10c donation from each child each week to meet her sponsor costs. Sponsoring a child makes a huge difference to their life as well as giving the children of Goulburn South as insight to how a child in another country lives.

Saly's information folder can be found in the library and is available to be viewed by anyone.
