This week in Maths we are continuing to collect data, place it on graphs and also interpret other graphs.

We are finishing off some artwork this week and doing a last session for the Brown Jug Polka. Well done to all the students who join the crunch 'n' sip group. It's a great time for us to have a quick social chat too! All the students enjoy this time while munching something healthy.

'Student of the week' last week was Callum.

What's happening in Group 3/4L

This Friday we will be heading to the Police parade. This is a free activity and we encourage those students who haven't brought their notes to do so.

This was our last week on Position in Maths and Explanations in Literacy. Next week we will be moving on to revision of Multiplication and Division. In Literacy we will be looking at Procedures.

Next week is our Wind Farm excursion, this will happen next Wednesday. Some students still haven't brought their notes, if you have lost your note please just write one out and send it to school as soon as possible.

Please remember homework is due Friday.

What's happening in Group 4/5H

This week we are looking forward to the Police Parade on Friday. Please remember to have your permission note in on time.

Students have enjoyed writing Explanations of how things are made this term. We are starting a new writing topic on Procedures, which I am looking forward to.

Please remember to have homework in on Friday.

What's happening in Group 5/6C

Well done to everyone who has returned notes for the Police Parade, Windfarm Excursion, Year 6 Dinner and the Goulburn High Orientation Day.

We bid a fond farewell to Miss Kurrle who has been a student teacher on our class for some time.

We wish her well for the future.

What's happening in the Library

Our Public Speaking Finals will be held during our assembly next Monday. The speakers will be Indy, Eden, Madilynn, Connor, Kylie and Amy.

Any children with overdue books will receive a note this week.

Borrowing for the year will finish next Friday which will give the children the following two weeks to enjoy their books before all returns are due back at the end of week 9.

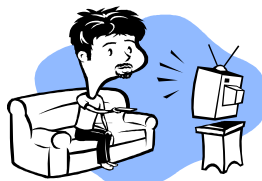

Healthy Habits

Be confident setting firm limits on screen time

Parents can set the boundaries. Set 'no television' or 'no computer' time spots – e.g. between 3pm and 5pm. Limit your child's screen time to no more than one to two hours a day.

This includes television, electronic games and computer games. Some alternatives are:

- listen to music
- go to the park
- draw a picture
- play cards
- ride a bike
- play with your pet
- learn to juggle
- plant some seedlings
- play a board game
- build a cubby house.
