What's happening in Group 1M

This week in Maths we are starting a new unit on Mass. Well done to all the students who are progressing through the levels in Fast Maths.

We are looking forward to the excursion on Wednesday. Remember to bring a hat and wear your joggers!!

Over the new few weeks we are focusing on our handwriting and neat book work. Students have also been practicing writing their full names and produced a lovely colourful artwork that they will bring home soon.

'Student of the week' last week was Grace.

What's happening in Group 3/4L

Tomorrow we are going to the Windfarm. Students will have recess and lunch provided. They will need to wear joggers and bring a hat.

In Literacy we are moving onto writing Explanations, looking at recipes and instructions on how to play games.

In Visual Arts today we began making our piñatas in class based on our crazy critters artwork.

Homework is due Friday.

What's happening in Group 4/5H

Over the past week, students in 4/5H have been presenting speeches on a topic of their choice to the class. It has been wonderful to see the enthusiasm and creativity that has gone into them. Well done to Connor, Amy, Eden and Madilynn who were selected to be in our School Public Speaking Competition.

What's happening in the Library

Last week of borrowing already! Due to the Windfarm excursion, children in 3/4 will be able to borrow on Thursday.

Congratulations to all of our speakers in the Public Speaking Competition and to all who participated in the auditions. We are very proud of you all and look forward to hearing a lot of wonderful speakers in the future.

What's happening in Group 5/6C

We were very proud of Indy and Kylie who both prepared and presented speeches in our Public Speaking Competition.

Year 6 students are heading off to Goulburn High School this Thursday for an Orientation Day.

Remember to wear full school uniform and to be on your best behaviour on the day.

Our 5c piece fundraiser is still going—we have almost hit the \$700 mark!

Keep them coming in.

**ENVIRO CLUB**

We will be spreading mulch around the native shrubs near Australia Street today, before the really hot weather starts.

2/3M Recorders and Choir Singing at Waminda Nursing Home

On Thursday 6th December, the Choir is going to sing carols at the Waminda Nursing Home.

The children in the Choir will be walking with 2/3M children who are going to perform some songs on the recorder.

This excursion is covered by the 'walking permission note' given out earlier in the year, so no additional note is needed.

However, if your child has not returned the 'walking permission note' before the day, they will not be able to attend.

Students are allowed to bring a Christmas hat to wear for the performance—but must still come to school in full uniform.

Year 6 Fundraiser – 5 Cent Piece Drive

They're under your couch cushions and in your bedside table drawer.

They're in the ashtray of your car and in the pocket of an old jacket.

They're the 5 cent coins you never use and they're just sitting around doing nothing.

Now is the ideal opportunity to gather them up and put them to good use. Together, our loose change can add up to a decent amount of money for use in our school.

Simply collect the 5 cent coins that are lying around in your house, your car or your office and send them to school with your child. Year 6 will count them up and use them to buy resources for Goulburn South.

Children will be encouraged to bring those unwanted/loose 5c coins into class during Term 4. The class raising the most will be rewarded with a special treat at the end of the year.

So start hunting for those five cent pieces!
