 2013

## Principal's Message

### Swim School

Our Swim School starts Monday 25th November and goes for two weeks. There are still a few places left. If you wish your child to participate, please return the signed permission note and \$31 tomorrow.

### National Vibe 3 on 3 Basketball and Hip Hop Challenge

Some of our Year 3-6 children went to the National Vibe 3 on 3 day today and had great fun. Thank you Mrs Leten for organising this event and supervising the children.

### Kindergarten 2014 'Taste of School'

Today was our first 'taste of school' session (2.10pm-3.22pm) for our Kindergarten 2014 children. We have two more sessions on 20th and 27th November.

### Second Autism Class

Our second autism class is being established between now and the end of the term. The children who will be in the class will have a number of transition sessions with the teacher and teacher's aide. It is envisaged that the class will start permanently Term 1, 2014.

### "Red" Day at Canteen

On Friday 22nd November the canteen will be holding a 'Red' day. Foods usually not sold through our canteen will be available on the day.

To make the day even more special the children will be **able to wear casual clothing to school for a gold coin donation**. The money raised from this event will go towards our Sponsor Child, Saly Coly.

### Congratulations Eden

Eden Bell was awarded a medallion for her outstanding sporting achievements at Sportspower last Thursday afternoon.

She is the Goulburn Crookwell District PSSA Girls Athletics Champion for 2013.

### Outstanding Money

The end of the school financial year is fast approaching (November 30th).

Please, if you have any money owing to the school, could you pay it by this date as we are unable to 'roll over' our finances to 2014 if we have money owing to us.

Please come to the office and pay and money you owe as soon as possible.

### School Leadership Team 2014

Today the students and staff voted for our school leadership team for 2014 through secret ballot. The successful candidates will be announced at assembly on Monday 9th December. I was impressed with the way the children took the process so seriously.

### Public Speaking Finals

Our Public Speaking finals will be held during next Monday's assembly which starts at 2.10pm. All welcome.

### House Competition

The winning House for this week was Hume.

### Citizenship Awards

Congratulations to:

Shenayah Level 3

### Enviro Club

What a busy group we had yesterday.

The worms were watered and fed, the radish that had gone to seed were pulled out and fed to the chooks, the garden beds weeded and our donated vegie seedlings planted out and watered in. Students also topped up the garden beds with soil and scrapings from our chook pen.

Rainfall was 40mm—temperature 15°.

We checked the water levels in our tanks by tapping.

Our carrot and radish seeds planted 2 weeks ago are starting to emerge.

Finally, the last of the peas were picked.

Thanks to all the students for helping.

### Healthy Habits

#### Why is breakfast important?

- Children who miss breakfast are often reported as having poor behaviour and poor concentration.
- Children who miss breakfast are often unable to meet their daily nutrient requirements.
- Children who miss breakfast are more likely to have a greater risk of being overweight or obese.
- Eating breakfast helps children learn and establish healthy eating habits early in life.

### Sponsor Child—Saly Coly

Saly Coly is the school's sponsor child and she comes from Senegal in Africa and is 11 years old. Her sponsorship **costs \$42 a month** and helps pay for her education and health needs, as well as helping her community develop such programs as water purification.

There are two containers within the school, **one in the office and one in the canteen**, where donations can be left to pay for her sponsorship. Donations have been slow this year—so, **we would appreciate any donations in the new few weeks**, to help us meet our commitment for this month and the December/January holiday period.

Sponsoring a child makes a huge difference to their life as well as giving the children of Goulburn South as insight to how a child in another country lives.

Saly's information folder can be found in the library and is available to be viewed by anyone.
