Principal's Message

Presentation Night

We would like to invite you all to attend our Presentation Night for 2013 **starting at 6.30pm tomorrow night** (Wednesday 11th December) in the school hall.

Students who are attending will meet in their class rooms at 6.15pm and the parents can make their way to the hall.

We ask that on the night that:

- Your phones are on silent for the whole ceremony.

- You stay until the end of the ceremony.

These requests will help the night run smoothly and ensure that everyone has a pleasant experience.

I would like to congratulate all of the children in the school for their efforts this year. The quality of work this year made it extremely difficult to choose our prize winners.

### Australian Red Cross BLOOD SERVICE

#### BLOOD BLITZ IN GOULBURN THIS SCHOOL HOLIDAYS

Goulburn needs more than 160 donors to give blood this Christmas and New Year to secure blood stocks for cancer patients over the festive season.

The Australian Red Cross Blood Service is concerned that most residents will take an extended holiday this festive season leading to a major drop-off in platelets, the shortest-lived blood product that is critical in the treatment of cancer patients.

Platelets were vital to the treatment of cancer patients but only had a shelf life of five days.

The Goulburn Blood Bank needs donors all year round, but particularly between 20 December and 3 January – the time when donations could hit a critical low and then to cover the donors that leave town over January.

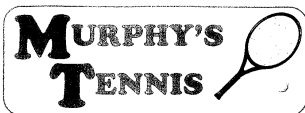

We know Christmas is an important time for Goulburn residents to spend with family and friends, but spare a thought for the many Australians who have a loved one in hospital and in need of blood, with the hope of spending another Christmas together.

For them, the perfect Christmas gift would be blood; the gift of life.

**Every donation** helps to save as many as three lives, and Christmas is the perfect time to give back to the community.

To make an appointment to give your gift of life this Christmas, please call 13 14 95. Goulburn Blood Donor Centre is situated at 183 – 187 Auburn St, Goulburn.

Our school entered all categories in the National Recycling Week Competition held in November. We won or placed in all the categories and were named Best Overall School in the Goulburn Mulwaree Council area. Teena Riley, the organiser, was impressed by the number and quality of entries received from Goulburn South PS.

At this week's assembly Mayor Kettle, Teena Riley, the Waste Education Officer and Chris Toole, Parks Supervisor made presentations to all the winners and place getters. Each individual winner received a certificate, a mini yellow lidded recycling bin and shook hands with the Mayor.

Year 3/4 received a special award for their creative and vibrant entry in the Recycling Hero section with their class photo of John, a cardboard cut out recycling hero drawn by Cody with help from his class mates.

Prizes for the Best Overall School included, two native shrubs, a windmill style weather station and a gift voucher from Goulburn Timber and Hardware (Magnet Mart).
