*What's happening in Group KM*

As Library borrowing has finished for the year, it would be appreciated if you could help your child locate any library books at home and return them to school.

As the weather is heating up, don't forget to send a hat to school with your child each day.

We have been enjoying the Gymnastics lessons. These continue for the next 3 Fridays.

Mr McQuillan

*What's happening in Group 2/3P*

This week we are writing some interesting procedural texts on what to do in an emergency.

While children are at Swim School we have some extra children from 3/4L in our class. We will be doing team and group activities.

In Maths we are revising time concepts, in particular how to read analog clock using language such as quarter past, quarter to, half past and o'clock.

We have been enjoying our PE sessions and are working hard to develop our bowling and striking skills.

We have a new student in our class, Kaylee. Everyone has made her feel very welcome.

We have started a new unit in Maths—Volume and Capacity. We are very focused in Science discussing and explaining how different plants can survive in different climates.

Library books need to be returned by next week. Have a good look at home for all your books.

We have drawn some fantastic chameleons in class—the students did a wonderful job. Well done. We have been investigating how Chameleons change colour.

Mrs Manning

*What's happening in Group 5/6C*

I hope all Year 6 students are planning their County Fair stalls. Please have a discussion at home about the stall your child might run and start preparing.

We are currently working on Chance and Probability in Maths. Students are writing their own episode of 'Inanimate Alice' in English.

All Year 6 families should have informed us about attendance plans for the Year 6 dinner by now. If you haven't yet, please let us know your plans immediately.

Mrs Copland

*What's happening in Group 1/2M*

We have had a few changes this week. I have not been on class and there have been some casual teachers replacing me. I am very proud to say that the teachers have commented on how lovely 1/2M have been. Well done!!

In class, we are still learning about Money. Reading groups are going extremely well. Don't stop with the home reading now ..... Keep up the great work.

We had a crunch and sip "Party" today. A well earned reward for being selected twice this term for 'class of the week'.

Don't forget to bring a USB if you want a copy of your child's trailer.

Mrs McDade

*What's happening in Group 3/4L*

This week we are enjoying Swim School or visiting Mr Boyd's room for non-swimmers.

The children are busily making a comic strip based on a favourite story. We look forward to sharing them with others.

We have finished Mass in Maths and our new focus is revision of decimals. The children worked very hard during the hands-on group activities. Well done!

Mrs Leten

*What's happening in Group K-6N*

The Celebration of Disability day is next Thursday 4th December. It is going to be a great day!

*What's happening in Group K-6M*

It has been a long term and everyone is starting to see the effects of the year. Well done on all your hard work.

In the Computer Lab we have been doing the finishing touches on our Dinosaurs, ready to display in class. Next week we will begin Narratives with a plan to create our own Christmas story.

Library borrowing has ended, if you have any library books at home, please bring them back in.

Next Thursday is our Disability Day. Please remember to be at school on time ready to enjoy the day. A note will go home closer to the event as a reminder on what to bring and what to wear.

'Student of the week' is Zac.

Ms Martin

### *What's happening in the Library*

All borrowing has now ceased for the year. The children have next week to complete reading their books before returning all loans to the library. Please help your child to locate any overlooked books or books that have accidentally left the library without being entered on our system.

Mrs Gilchrist

### The Enviro Club

Our veggie patch is coming to the end of production, so the pea plants were pulled out and fed to the worms.

Other students shredded newspaper for the chooks to scratch through, the radish were watered and corn planted.

Mr Hazelgrove has raised some of the garden beds which we will plant the next lot of seedlings into this week.

The rain water tanks have been topped up thank goodness.
