Newsletter Term 3 Week 4

Book Week—Find your Treasure

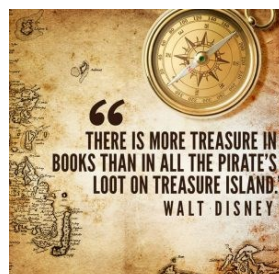

***** Amended Date—Now on Thursday 23 Aug *****

This term we celebrate Book Week in week 5.

On Tuesday 21st August we will be holding our book fair and parade.

Our theme this year is "Find your Treasure".

We ask all students to please dress up as a character from their favourite book.

Parents and carers are invited to come along and watch their children participate in the parade and join them for a picnic lunch.

Our book parade will commence at 11.30am, after which we will have a picnic lunch.

We will have sausages for sale \$2.00 and poppers \$1.50.

We will open book fair sales on the day at the following times:

Morning Sales 8.55am—9.22am

Lunch Sales 12.10pm -12.35pm

Touch Footy Gala Day

All students in Years 3 to 6 will be participating in the Touch Footy Gala day held on Thursday 16th August at Carr Confoy Oval.

All students are expected to participate, as this day forms part of the PE Program and curriculum. The day teaches students about ball skills and team participation.

Students are to wear their sports uniform, school hat and jumper.

There may be a canteen operating but students are to bring lunch, morning tea, and plenty of water

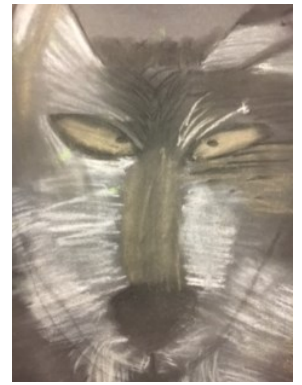

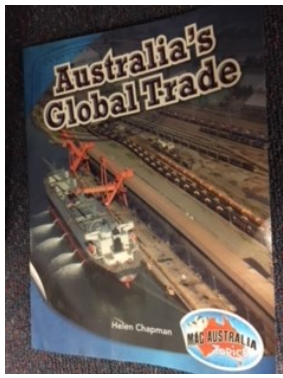

Please ensure that your child has returned the permission note and \$3.00 fee.

The boys and girls have been reading picture books by Michael Salmon before his author visit on Tuesday. For a follow up art lesson, the children created their own book character in a short comic strip story.

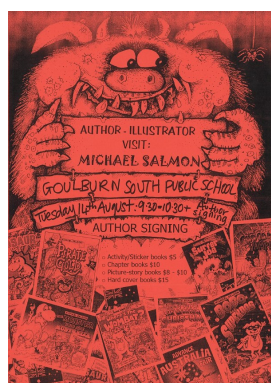

Polar Boy, a novel by Sandy Fussell, was the inspiration for another art lesson using pastels. The subject of the portrait was an apex predator like a bear or a big cat. Australia's Global Connections is the Geography theme, so reading groups have been engaging in conversations based around their text, Australia's Global Trade.

K/1G students can identify materials that are light or heavy. They can use a pan balance to compare the masses of two objects and record their findings. Well done K/1G keep measuring.

Michael Salmon Author Visit

We were very lucky to have Michael Salmon visit our school on Tuesday 14th August. Michael kept us entertained with his amazing cartooning ability and inspirational words. The students really enjoyed his presentation and it was wonderful to hear the stories behind his books. We have purchased some of his new books for the library so look out for those ones on the shelves soon!

Remember to keep in touch with what is happening at school with the Skool bag App. Search "Goulburn South Public School" to find it. Download it today, it's FREE!

Resilience

GROWING GREAT PARENTS

Each newsletter we are going to bring to you tips on raising and creating **RESILIENCE** in our children – one building block at a time. Commonly known as Australia's 'queen of common sense', Maggie Dent is a parent of four boys, an author, educator, parenting and resilience specialist. We are going to use Maggie's building blocks to help us all build **RESILIENCE** in our children....from birth up!

Resilience refers to the ability to successfully manage life, and adapt to change and stressful events in healthy and constructive ways. **Childhood is a journey and there is no perfect world, perfect parent or correct way to raise a child.** THERE IS NO PERFECT CHILD. Families today live in a world of massive change and uncertainty. In many ways parenting is now more **CONFUSING** than it has ever been because of the massive availability of information, together with the invisible and overt pressures of consumerism that have saturated the parenting world. However, real kids can **THRIVE** in our **UNREAL** and often **CHAOTIC** world.

BUILDING BLOCK 1 – POSITIVE, HEALTHY PREGNANCY – Parenting Tips...

- * A healthy pregnancy is the best start for a healthy baby
- * Stress can impact a baby in the womb so try to manage your own stress during pregnancy and ask for help if you need it
- * Babies can be born with emotional memory
- * Everyone in our community needs to support pregnant women regardless of age, culture of social status
