Welcome to Weeks 6 & 7

Well we are half way through the term and the students and staff have been busy with many activities. Some of our students were visited by (Joffa) Jeff Taylor from Toon School Workshops. Jeff is a cartoonist and speaker who visits schools across Australia, helping to motivate students on how to feel good about themselves.

On Monday, 10 of our student leaders participated in the GRIP Leadership Conference held at the Goulburn Workers Club. All students thoroughly enjoyed their day, and participated in practical and interactive Leadership Training.

Athletics Field Events

Students will begin their field events this week in preparation for the Athletics Carnival which is due to be held on Friday 5th April at Hudson Park. It is advisable that students wear the appropriate clothing to participate in their events such as long jump, high jump. We recommend that our female students wear shorts and not dresses. A permission note will be sent home over the next couple of weeks providing more information about the Athletics Carnival.

Newsletter will now be sent home with students on Thursdays
News from 2/3M
Congratulations to 2/3M for winning class of the week. The students were able to celebrate with a uniform free day and a picnic lunch. We have also been doing some great things for science and learning about things in our environment.

News from K/1R
We have been very busy settling back into the new school year and learning lots of new things. Each day we are working on our phonics, reading, writing, numeracy and more! We have read lots of books - so far our favourites are ‘The Gruffalo’ and ‘The Very Hungry Caterpillar’. We made our own very hungry caterpillar and ordered the days of the week along his body. Keeping safe as a pedestrian, passenger and on wheels has been exciting and fun as we explore Safety Town.
