URGENTLY NEEDED

We are in need of 12 green recycle bins in very good condition and clean.

These bins will be used for each of our classrooms to store our sport and P.E equipment. We have contacted local council who advised that they were unable to provide directly but would not have any problems if residents wanted to donate the old green waste bins that have been replaced with the new green bins. If you can help please contact the school office on Ph 0248 212 759—Thank You
